

ADVANCING SOLAR POWER

ABOUT YASKAWA SOLECTRIA SOLAR

Yaskawa Solectria Solar, a wholly owned subsidiary of Yaskawa America, Inc., is the largest U.S.-based inverter manufacturer, with design and engineering offices in Lawrence, MA, headquarters in Waukegan, IL and world-class production facilities in Buffalo Grove, IL and Franklin, WI.

The SOLECTRIA XGI 1500 three-phase utility-scale inverters are proudly made in the USA at Yaskawa's Buffalo Grove, IL facility, ensuring quality, reliability, and bankability for PV system owners, developers, and EPCs.

Yaskawa, with over 100 years of experience in power electronics and inverters, is a global leader in variable frequency drives, servo systems, machine controllers, and industrial robots.

Yaskawa Solectria Solar remains committed to delivering the highest quality solar inverters and driving innovation in the industry.

SOLECTRIA® XGI 1500 Inverters and PowerRacks

THE BEST PV INVERTERS AND STORAGE SOLUTION FOR COMMUNITY SOLAR

More Experience: Yaskawa Solectria Solar is the most experienced U.S. based PV inverter company in the USA, and for 20+ years has been setting the standard for innovation and leadership in the Commercial / Community Solar markets.

More Reliability: SOLECTRIA XGI 1500 Inverters, PV combiners, PowerRacks, and the PVS-500 Storage System are designed and manufactured in state-of-the-art factories in Illinois and Wisconsin. Our parent company, Yaskawa America Inc., is a recipient of the prestigious Deming Award for excellence in total quality management.

More Uptime: SOLECTRIA's XGI 1500 Inverters are designed and built to maximize inverter uptime. Our Training program and Spare Parts Kits provide system owners the power to quickly manage routine repairs on their own. No more waiting for a fix.

More Support: Our expert Technical Support engineers and Field Service crew are readily available to assist with inverter troubleshooting and repair.

More Domestic Content: SOLECTRIA XGI 1500 Inverters can help you to qualify for domestic content bonus tax credits and our PowerRacks with 2 - 8 XGI 1500 inverters are compliant with the Build America, Buy America Act (BABA).

More Value: Add it all up, and get more value with SOLECTRIA XGI 1500 Inverters, PowerRacks and Storage solutions.
